MORE ELECTION RETURNS

Fuller Information from Throughout Indiana Shows Democratic Gains.

They Averaged About One New Trustee to the County-Republicans Could Not See the Importance of Voting.

Information to the Journal from fiftyfour counties complete, gives the Democrats a net gain of fifty-one trustees. Though stay-at-homes are responsible for most of the Republican losses, as is indicated by a comparison of the dethe total vote with that in the Republican strength brought out, yet they were not entirely to blame. In numberless instances Republican trustees went down where assessors and the majority of the ticket pulled through. Apparently, there was more or less settling of old scores, preparatory to united action henceforth. Specials to the Journal give the following details:

ALLEN COUNTY. FORT WAYNE, April 8 .- Complete returns from Allen county show the election of sixteen Democratic and four Republican trustees. This is a Republican loss of four trustees. The vote was exceedingly light. BARTHOLOMEW COUNTY.

COLUMBUS, April 8 .- The full vote of this county was officially ascertained here today, the Democrats electing eight out of the fourteen trustees. In Clefty township the vote was a tie on trustee, and was set-tled by lot by the board in favor of the Democratic candidate. On the popular vote for trustee the Republicans carried the county by fifty-four majority for the first time in many years.

BENTON COUNTY. FOWLER, April 8.—Complete returns from the county give the Democrats six trustees; Republicans four; Independents one. This insures a Democratic county superintendent of schools in place of the present efficient incumbent, B. F. Johnson. The vote all over the county was very light, except in Parish Grove township, where the Republican gain on trustee was about sixty votes.

BLACKFORD COUNTY. HARTFORD CITY, April 8 .- The official returns from the four townships in this county show three Democratic to one Republican trustee. The complexion of the parties remains the same. In this city and township. Newbauer, Democrat, was elected by 286 majority. The Prohibition vote was given to the Democrats. Many of the Prohibition tickets had every name scratched and Democratic nominees substituted.

BOONE COUNTY. LEBANON, April 8.-The Democrats elect seven trustees out of twelve in this county, a gain of one.

CARROLL COUNTY. DELPHI, April 8 .- Returns from all over the county are now in and show that the Democrats elected seven out of the thirteen trustees, giving them a net gain of one. The township in which this city is located was carried by the Republicans after a stubborn fight, it having been in the hands of the Democracy before.

CLAY COUNTY. BRAZIL, April 8 .- The latest official returns show that the Democrats have carried for trustees every township in Clay county, except Lewis, gaining Brazil and one or two other townships. The majority in Brazil was 160. The Prohibition vote was 51. The vote was light.

CLAY CITY, April 8.—A. M. Storm, the Democratic candidate for trustee, was elected yesterday by a majority of 47. Michael Schiele, the Republican candidate, is a farmer and a member of the Farmers' Alliance. Storm lived in town, and was the whisky-ring candidate. Saloons dished out the whisky at the back doors, and through this means the Democrate carried through this means the Democrats carried the election.

CLINTON COUNTY. COLFAX, April 8 .- John D. Blacker, Republican, defeated George M. Truett, Democrat, by 101 majority, and F. B. Coyner, Republican, for assessor, is also elected. The township (Perry) is Democratic by 3 majority, yet they only elected one justice of the peace, George W. Slaughter, and one constable.

DAVIESS COUNTY. WASHINGTON, April 8.—Republicans are jubilant in this county. Five trustees out of ten are Republicans; three are Farmers' Alliance men and two Democrats. In this (Washington) township, which is Democratic by at least 150, Robert Russell, Republican, defeated James R. Mulligan, Democrat, with a majority of 117. Democrats elected Gus Farrell assessor and Charles Beiderman justice of the peace by small majorities.

GREENSBURG, April 8 .- Full returns from the election of yesterday show that the Republicans have elected three trustees and the Democrats five, with one township a tie, in which a Republican trustee holds over. Fully 90 per cent. of the full vote was cast. Taking the vote for assessors. the Republicans carried the county by 66 majority, but on the vote for trustees the Democrats have a majority of 95 vetes.

DELAWARE COUNTY. MUNCIE, April 8 .- The returns from the leven townships in this county, outside of Center, show a Democratic gain of three trustees. McLaughlin, Republican trustee ere, had 239 majority, a fall of about one hundred from last year, when a big vote was polled and the Republicans elected all twelve trustees. In Union township the Republicans failed to get printed tickets and Republicans who voted were compelled to write their tickets on a piece of paper. and, with Democratic tickets, the minority

FAYETTE COUNTY. CONNERSVILLE, April 8.—The Democrats elect six of the nine trustees in this county, a gain of three. A light vote was polled. FOUNTAIN COUNTY.

COVINGTON, April 8 .- Complete returns to-day of yesterday's election in this county give the Democrats seven and the Republicans four trustees. There is a loss to the Republicans of two trustees, and in-sures a Democratic superintendent. In Fulton township Wm. Lewis, who was the Republican candidate for re-election, arew out of the race early yesterday morning on account of local trouble, leaving the field mractically in the hands of the Democracy. GRANT COUNTY.

MARION, April 8 .- At the election in this township, yesterday, the straight Republican ticket was elected, except John Harper, for justice of the peace. Reports from all the out-townships are not yet in. As far as heard from the township trustees stand as before, gains and losses balancing. HAMILTON COUNTY.

NOBLESVILLE, April 8.-The township elections in this county called out a good vote, and the result is that the Republicans elect five out of nine trustees, thus giving the Republicans a majority and insur-ing the election of a Republican county superintendent. This, while a loss in the showing for county politics, as local ques-tions and personal interests induced some Republicans to vote for Democratic candidates. In Washington township the Democrats and Prohibitionists, aided by disappointed Republicans, combined and elected a trustee. The proposition to purchase and make free the toll-roads was voted on in three townships, and the vote is largely in favor of the purchase,

HARRISON COUNTY. CORYDON, April 8 .- The election in Harrison county resulted in a gain of one trustee for the Democrats, they now having eight trustees, while the Republicans have five. The Probibition vote was light, but was largely increased over the previous

HENDRICKS COUNTY. DANVILLE, April 8 .- The election yesterday passed off quietly, a fair vote being polled. The result was the election of six

Republican and six Democratic trustees, one of the latter, however, being an independent candidate, defeating the regular nominee. The Republicans lose three trustees compared with the result two years ago.

HUNTINGTON COUNTY. ANDREWS, April 8 .- A light vote was polled in this, Dallas, township in yesterday's election. The Republicans elected their entire ticket by an average majority of fifty-five votes.

JACKSON COUNTY. SEYMOUR, April 8.-The election here passed off quietly, with neither a full vote nor a strict party vote. The eleven townships of this county are all Democratic. At the election yesterday two Republican trustees were elected. In Hamilton township, which gave Cleveland 115 majority, J. T. Pruden, Republican, was elected. In Carr township, which gave Cleveland 17 majority, James P. McMillan, Republican, was elected. In this township, including Seymour, four of the eight candidates on the Republican ticket were elected.

JEFFERSON COUNTY. Madison, April 8 .- Of the seventeen officers chosen in Madison township, the Republicans elected ten, and the Democrats seven, including trustee and assessor. Of ten township trustees, the Republicans elected six, insuring the election of a Re-publican county school superintendent. There was a great falling off in the total

JENNINGS COUNTY. VERNON, April 8 .- The Republicans of Jennings county elected eight out of the eleven trustees in this county. The trustees now stand just as they have for the past two years, neither party having made any gains in township officers.

KOSCIUSKO COUNTY. WARSAW, April 8 .- The Republicans carried ten of the seventeen townships of Kosciusko county.

MADISON COUNTY.

ANDERSON, April 8.-The election here yesterday resulted in almost a clean sweep for the Democrats. They have elected eleven out of fourteen trustees, and the gain over the majority of 1888 is about 400. The Republicans carried Duck Creek township by a small majority. Thomas P. Kelly, Democrat, who was elected two years ago trustee of this (Anderson) township by 90 majority, was re-elected by a majority of 495. The vote in this township was about six hundred short, most of which was from the Republican ranks.

PENDLETON, April 8.—The election passed off quietly here on Monday. The Democrats and Prohibitionists united upon William George for the purpose of defeating A. W. Cook, the regular Republican candidate, but the rank and file of the Democratic party refused to be turned over to George, and consequently the leaders could not deliver the goods. The combination only polled 62 votes, while Mr. Cook received 358 votes and was elected by a handsome majority. Stephenson Hair, the Republican candidate for assessor, led the ticket. All of the Republican candidates were elected. MIAMI COUNTY.

XENIA, April 8.-Jackson township elected the entire Republican ticket from trustee down to the last supervisor by majorities ranging from 48 to 96. This is the first clean sweep in twenty years.

MONROE COUNTY. BLOOMINGTON, April 8 .- Complete returns from all the townships in Monroe county show the same result as two years ago. The Republicans gain Washington township, but lose Indian Creek township. The trustees now stand seven Democrats and five Republicans.

MONTGOMERY COUNTY. CRAWFORDSVILLE, April 8 .- The reports from the several townships show decided Democratic gains. Heretofore, of the eleven trustees the Republicans had five, the Democrats five, and one was Independent-Democrat. Now the Democrats have nine trustees and the Republicans two. The Republicans lost the Sugar Creek township trus-tee by three votes and the Walnut township trustee by seven votes, while the bal-ance of the ticket was elected.

MORGAN COUNTY. MARTINSVILLE, April 8.-Unofficial returns are in from all the townships except one in Morgan coupty. The Republicans will have eight trustees and the Democrats six, the same as during the past year. The vote for prosecutor is very close, and it may require the official count to determine the result. Indications, however, point to the election of Edward Davis, Democrat.

OWEN COUNTY. SPENCER, April 8 .- Unofficial returns show that the Republicans lost three trustees in this county-in Taylor, Harrison and Jennings townships. The Republicans elected all their ticket in this, Washington township, except assessor, by their usual majorities, ranging from 71 to 113. The colored candidate for constable was elected by 97 majority. Matt Matthews, candidate received 144 majority in this township, making a gain of a few votes over the Democratic candidate for prosecutor in the county in 1888. Seven hundred and sixty-three votes were east in the precints out of a possible vote of 800

PARKE COUNTY. ROCKVILLE, April 8.-The election in Adams township, which includes Rockville, resulted in the election of Fred Leatherman, Democrat, against Mahlon Marshall, Republican, by a majority of 106 for trustee. The Republicans elected one constable and one justice of the peace.

PORTER COUNTY. VALPARAISO, April 8 .- Seven of the twelve townships in Porter county went Republican. The Democrats elected the trustee in Valparaiso. The Germans and the Irish bolted the Republican tickets. The vote was about two-thirds that of 1888. PUTNAM COUNTY.

GREENCASTLE, April 8.-The Republicans held their own in Greencastle, Jefferson and Russell townships, and came within four votes of carrying the Democratic stronghold of Madison. Local issues entered largely into the contest. The result is no indication of the strength of the two parties on general issues.

RANDOLPH COUNTY. WINCHESTER, April 8 .- The Republicans elect ten of the twelve trustees in this county, a gain of two.

UNION CITY, April 8 .- The election yesterday in this (Wayne) township resulted in the election of the entire Republican ticket. James J. Eagy was elected trustee to succeed A. B. Schuyler, Democrat, who was a candidate for re-election.

Losantville, Nettle Creek township. redeemed from Democratic government. Two years ago a Democratic trustee was elected by a majority of 15, and to-day she stands with 49 in favor of J. T. Burrough, the Republican candidate.

RUSH COUNTY. RUSHVILLE, April 8 .- The elections in this county yesterday were very much more favorable to the Republicans than at first reported. Out of the twelve townships in the county, eight will be controlled by Republican trustees, a gain of two for the Republicans. In this (Rushville) township the fight was of such a character that the vote for trustee could not be regarded as a test of the vote, neither of the candidates being Democrats, but the vote for assessor gives an opportunity to estimate the vote, and this gives the Republicans the usual majority. There was a falling off from the vote for Harrison of 20 per cent.

TIPPECANOE COUNTY LAFAYETTE, April 8.—The official canvass of the township vote in this city elects Sims, Democrat, by 9 majority. The board decided to canvass the returns as made by the inspectors. This will elect the three Republican justices, for the reason that the inspectors in two or three precincts refused to count the vote for the Democratic justices because there were four names on the ballot and but three offices to be filled. The Democrats will probably demand a recount.

VANDERBURG COUNTY. EVANSVILLE, April 8 .- City and township elections here yesterday resulted in favor of the Democrats in every office except

township trustee and two justices, one of the latter being Capt. Martin Klausse, a well-known Union artillery officer during the rebellion. Returns have been unaccountably slow coming in, as there was much scratching. The result is attributed to local causes. Coloredmen voted largely for independent candidates for Council in the First ward. There were four candidates there—Republican, Democratic, Republican bolter and Prohibitionist. The latter class polled an unexpected large vote. The new Council stands ten Democrats and two Republicans. Out of eight township trustees in this (Vanderburg) county the Republicans elect six and the Democrats two. The vote cast was lighter than usual.

VIGO COUNTY. TERRE HAUTE, April 8.—The returns in this county did not get in until early this morning, despite the fact that but a small vote was east. The Democrats made a gain of trustees, changing the board from seven Republicans and five Democrats to ten Democrats and two Republicans. Two years ago the Republican net majority on trustees in the county was 177. The net Democratic majority Monday was 1,655, of which 1,218 was given in this township to the Democratic incumbent, who two years ago had a plurality of 141. The Republican vote in the county fell short 2,000.

WAYNE COUNTY. RICHMOND, April 8.-The Republicans elected ten township trustees and the Democrats five at the township election in this county yesterday, and only Dalton and Jefferson townships voted to buy the pikes.

At Cincinnati and in Other Ohio Towns. CINCINNATI, April 8 .- At yesterday's city election the total vote cast was 43,500 which is over 7,000 less than at last year's April election, and nearly 20,000 less than the registration. Samuel F. Hunt, Democrat, for Superior Court judge, has 3,000 majority. Emil Rehse, Republican, for clerk of the police court, has 3,000 majority. The other two Democratic candidates were elected by 600 and 1,000 majority, respectively. The Council has a Republican majority of two and the Board of Education

Dispatches from over the State of Ohio show that, as a rule, the vote was light. At Mount Gilead, the Republicans elected their entire ticket: also at Camden, with one exception. The Democrats prevail at Greenville, at Canton, at Celina, at Bucyrus, at Sandusky, at Springfield, at Ashland, at Millersburg, at Dayton and at Hamilton. Millersburg, at Dayton and at-Mixed results, mainly in favor of the Deniocrats, vere obtained at Fremont, Logan,

A Democratic Majority Cut Down. JERSEY CITY, N. J., April 8 .- The municipal election to-day, like the campaign that preceded it, was marked by great excitement. The vote is close. Up to a late hour to-night the result was doubtful, but according to the best estimates Mayor Orestes Cleveland, Democrat, has been re-elected by from 1,500 to 1,800 majority over George Perkins, Republican.

Rival Democrats Exchange Blackeyes in a Free-for-All Fight at Anderson, Ind.

Special to the Indianapolis Journal.

ANDERSON, April 8 .- A regular free-for-all Democratic candidates' fight occurred here this evening in the court-house yard, between rival candidates for the nomination of county clerk. James J. Netterville, the present clerk, and candidate for renominaion, accosted one James Barton, a young Democratic statesman, who wants to be clerk of the Madison Circuit Court. Barton is circulating his card with amazing profuseness, and has printed thereon some very pointed questions, one of which reads: "Do you want to keep any person in office sixteen years?" which is a personal matter with Netterville. Barton also announces in his card that but two clerks have been re-elected in Madison county in fifty-four years. Netterville, who is one of the proprietors of the Anderson Democrat, informed Barton that unless he ceased to distribute those cards Democrat would open fire on him at once, and informed him that the aforesaid statements were false, whereupon the wiley little Barton sent Netterville-to grass with his right, and discarding all courtesies of the "ring." jumped upon Net and proceeded to pummel him vigorously. Wm. Malone, deputy clerk, went for Barton, and Crickenberger, editor of the Democrat, proceeded to separate the combatants. After a formal exchange of black eyes between Barton and Malone, the beiligerent candidates were separated.

GOSHEN, April 8 .- Simon [Fields fatally stabbed Silas Bell, at the residence of Asher Lockwood, in the western part of the county, last night, Mr. Bell dying this forenoon. It was the result of family troubles and jealousies, sons of Fields and Bell baving married daughters of Lockwood, and the elder Fields siding with his son. The murderer was arrested near his home, this morning, by constable C. H. Stewart, and given a preliminary hearing before 'Squire Harrington, of Wakarusa. He was afterwards placed in the county jail to await his trial, which will probably take place during the present term of court.

Criminal Malpractice Resulting in Death. Special to the Indianapolis Journal.

WABASH, April 8 .- On Friday last Annie Huddleston, a girl living with her parents, Mr. and Mrs. William Huddleston, near Rich Valley, this county, suddenly became ill, was seized with convulsions, and died in a few hours. The women, in laying her out noticed a large black-and-blue spot in the small of the back, and were convinced that she had died a violent death. They came up to Wabash on Saturday and laid the matter before the prosecuting attornev, and asked for an investigation. The official, however, having nothing tangible upon which to begin an inquiry, paid no attention to the complaint until yesterday, when the brother of the dead woman called upon him and informed him that his sister was the victim of criminal malpractice, asking for an investigation. He re-turned home with the young man, but the evidence against suspected parties in the form of a bottle containing a deadly drug bearing the label of a druggist, and letters from a married man of this city of a compromising character had been destroyed. There is no doubt but the girl was killed in an attempt to hide her shame, as the physicians who were called after she was taken ill will testify. The brother retaken ill will testify. The brother referred to also says that he carried a package from the suspected person here to his sister. The prosecutor intends probing the case to the bottom, and thinks he will land somebody in the penitentiary.

Service Pensions Demanded.

Special to the Indianapolis Journal. FORT WAYNE, April 8 .- At a meeting of old soldiers of Allen and adjoining counties, held in Grand Army Hall, April 5, the following resolutions were unanimously

Resolved, That the pension-roll should be regarded as a roll of honor, and that pension-certificates should now be issued to all Union soldiers as diplomas of honorable services—not as badges of dependence or poverty.

Resolved, That excuses for postponing this measure of justice, based upon the pretended inability of the government to provide the means for such measure, we believe to be puerile and false, and will no longer deceive the soldiers and their friends, the great masses of people engaged in agricultural and other industrial pursuits. "This is no time to weigh the soldier's claims with an apothecary's scales," and we demand of this administration and the next power in control and ministration and the party now in control and responsible for legislation, a fulfillment of the promises in the last campaign, which resulted in

Resolved, That we hereby indorse the pension bill (Senate No. 1094) introduced by Hon. John J. Ingalls of Kansas, and House bill No. 235, introduced by Hon. Jos. B. Cheadle of Indiana, and man the enactment of the same into a law at the present session of Congress.

Resolved, That we demand of our Senators and Representatives their support and active cooperation in securing from this session of Congress the passage of the measure referred to in these resolutions, as public servants who will be required to give an account of their stewardship.

Minister Vindicated.

JOLIET, April 8,-Rev. Dr. Witman plained the charges against him, Sunday night, to his congregation. He had just arrived from Charlottetown, Prince Edward's Island, where he had also been arraigned on charges preferred there by the Rev. Dr. Read, and explained every charge. It now appears that he is a victim of a conspiracy. It is evident that his congregation think this way, for they exonerated him by an everwhelming majority. Letters from clergymen of all denominations in Prince Edward's Island were received, highly praising the Doctor as a minister of energy, eloquence and Christian purity. The church has not yet officially reported in the case. The faction opposed to the Doctor is small, but bitter and influential. The pastor, however, fights like a Turk and conceals nothing. The principal charges are undue familiarity with young women. The proof in favor of it is slender.
